## PERSONAL PROJECTS

### My Portfolio Website

**3 May 2023- 10 May 2023**

**Description** -The Purpose of Our Project is to design , publish and maintain a website for our college which consist of all the information regarding the college like infrastructure , faculty. I have used HTML and CSS, JS.

### Modern Food Website

**Feb 2023 - Mar 2023**

**Description** -Our website is not just a feast for the eyes, but also for the stomach! We offer a wide range of recipes that cater to every taste and dietary need, from vegan and gluten-free to indulgent comfort food classics. So come on in and explore our animated food website, where the world of cooking is brought to life in ways you've never seen before. With every recipe, every animation, and every bite, you'll discover a new world of flavor and fun.

### Template Design in HTML

**5 Jan 2023 - 10 Jan 2023**

**Description** - I have design a Bill Receipt Template using HTML & CSS. It will be automatically Converted into Pdf if we can call this template using API.
